

# SiliconIndia **si100**

---

We present you si100 **2007**. This is the 10th year that si100 companies are being selected and honored!

si100 is an annual listing of the top 100 technology companies founded and managed by Indians in the U.S. The si100 not only represents the continuing rise and glory of Indian entrepreneurship in high-tech but also recognizes companies impacting the market place.

A distinguished panel comprising accomplished Indian CEO's & CIO's of public companies, VC's, analysts, founders of other VC funded companies including siliconindia editorial board decided on the top 100 companies listed below.

**IT Services    Wireless    Networking    Internet    Mobile    Software    OPD/Eng Services    Enterprise Security    Semiconductor**
